Campers, Parents and Friends:

April 26, 2010

As many of you have heard, sadly, Lakeshore Lions has closed ("mothballed") Camp Bellaleo; we were officially informed on March 30, 2010.

THE GREAT NEWS: We had been looking for alternative sites and found a beautiful camp on Big Harding Lake, east of Haliburton. It is called Camp Diamond and you can see how beautiful it is by checking their website (www.campdiamond.com).

Vicki and I have directed Bellaleo for 18 years, and along with our sons Zak and Noah, it's been a "second home" for us; we know that many of our leaders and campers feel the same way. However, I also spent 17 summers at Kilcoo Camp (Minden) and 3 summers at Bark Lake (Irondale) and I know how special Haliburton County is for camping. This is a wonderful opportunity!

Our leader's training week is June 25 – July 3; first boy's is only one week (July 3 – 10). First girl's camp runs from July 10 – July 24 and second girl's follows from July 24 – August 7. Our second boy's camp runs from August 14 – 28.

Cheques are all made to: THANKS FOR THE DAY (this is our parents' and friends' group that created a company to facilitate our move).

Please call me, Vicki or Zak (416.767.4120) if you have ANY questions.

Kind personal regards,

Jay Haddad, M.A. (psychology), F.S.C.D.
