With the wonderful news that the opening of overnight camps is imminent, the province has encouraged us to forge ahead with opening plans. We have a few modifications:

BOYS CAMP: the only intake date for boys is July 3 and campers can register for one or two weeks; one-week campers would go home on July 10 and two-week campers would go home on July 17.

GIRLS CAMP: we have two intake dates with the first date July 17 (girls can register for one, two, three or four weeks) and the last intake date is July 31 (girls can go home on August 7 or on the last day of camp August 14).

Leaders-in-Training: as soon as the province gives us a start-date, Zak and Alexa will have a zoom call with all L.I.T.s to advise them of our Training Week plans and dates for arrival, training, testing protocols etc.

If you have any questions, please call me or text at 416-436-5072 or email me (jay@campnokomis.com) or Zak (zak.nokomis@gmail.com) 647-285-2658
